

Immune Interactions

Draft #1

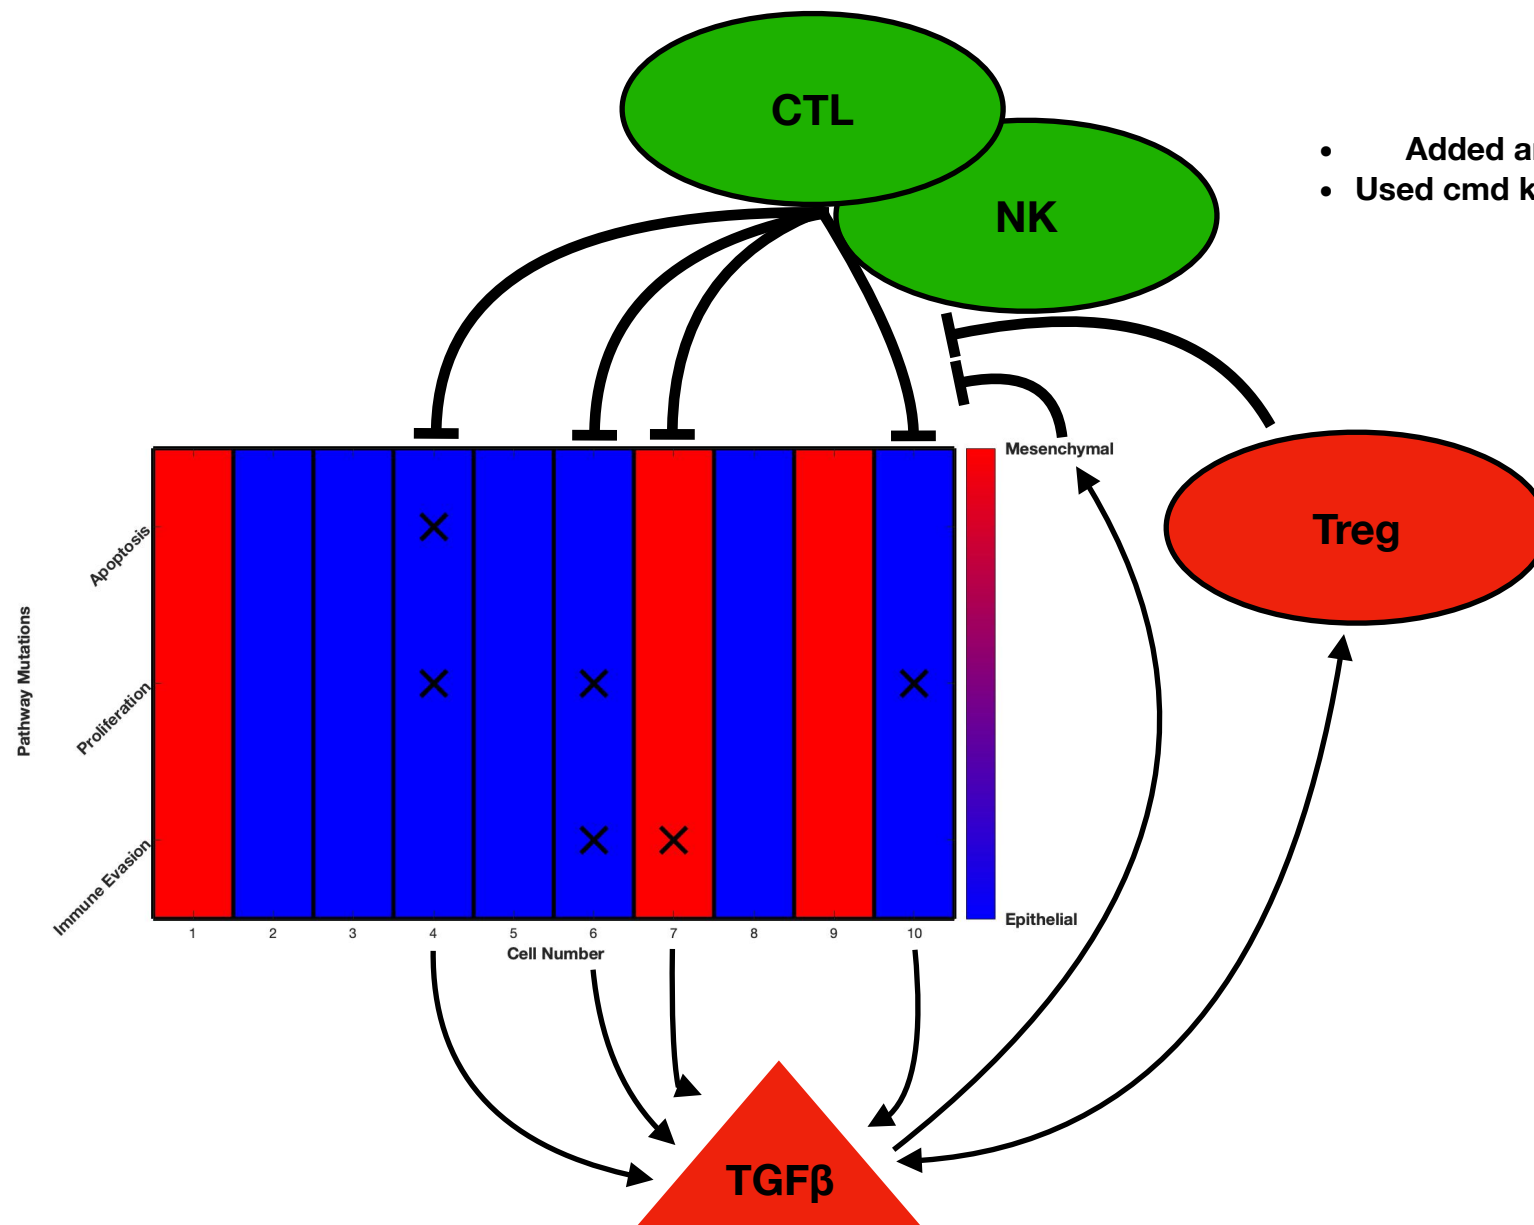

Draft #2

- Added arrows to and from Mesenchymal

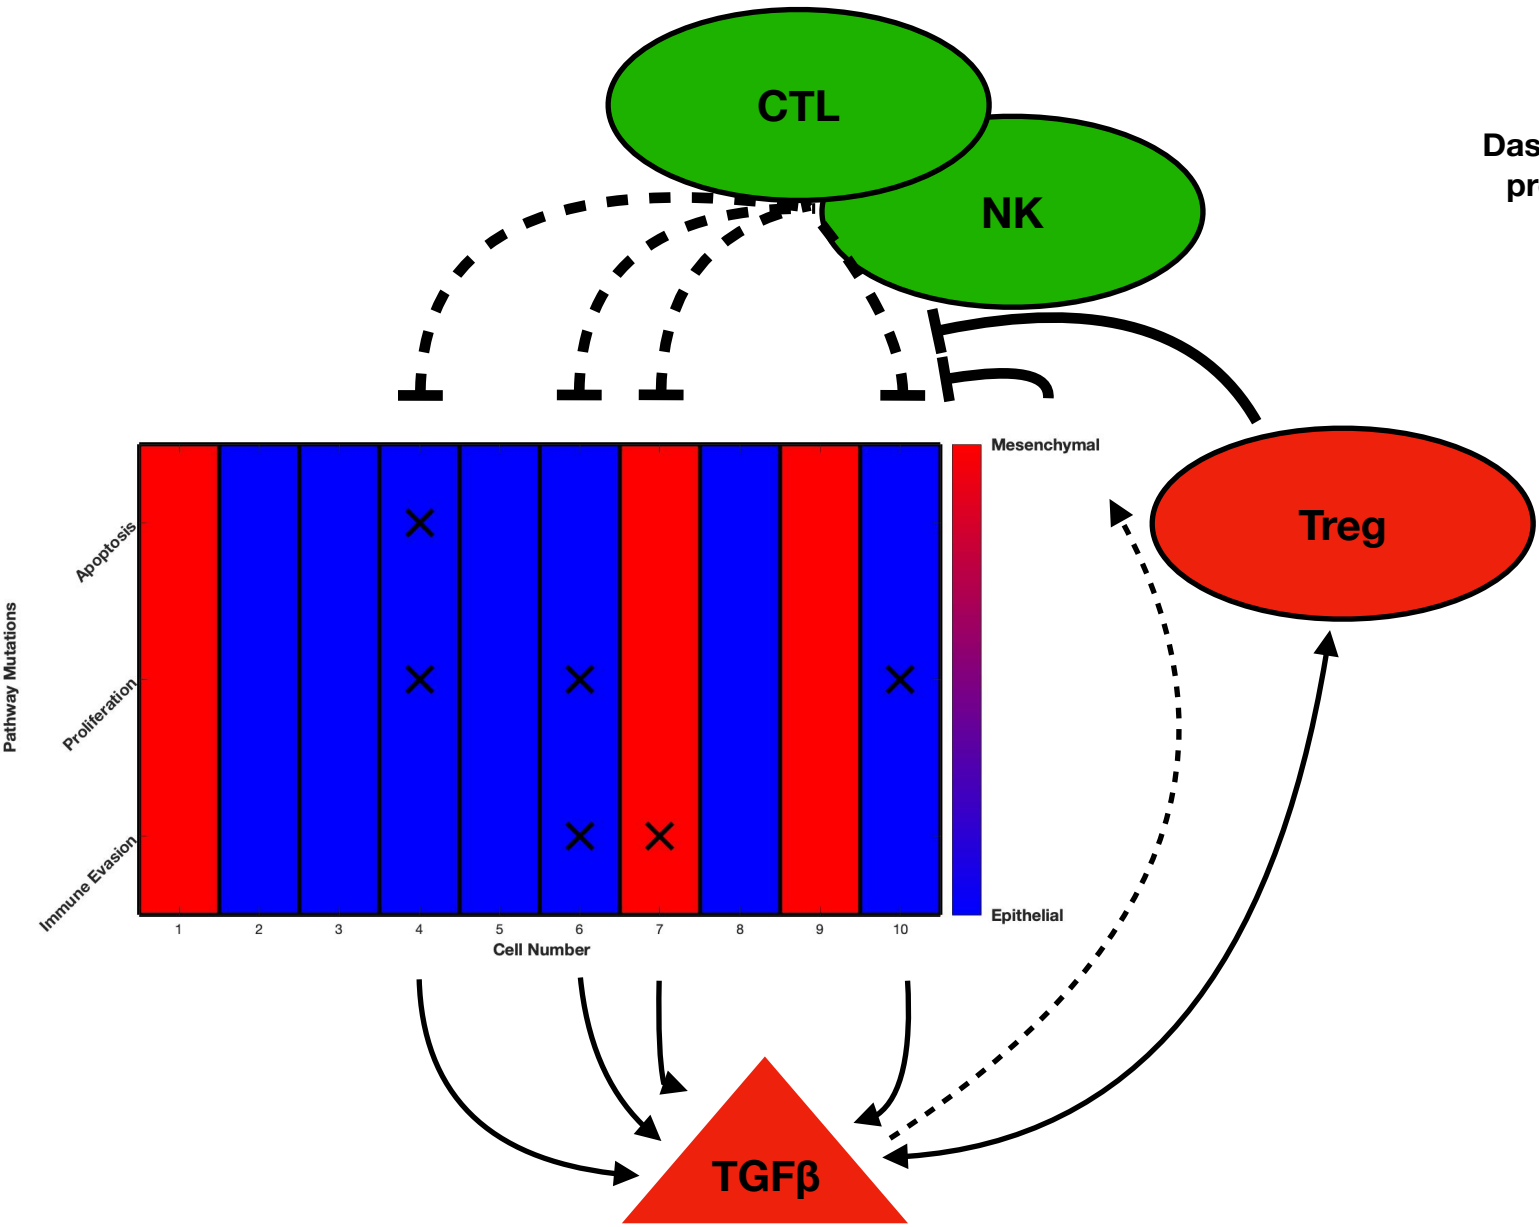

Draft #2a

- Added arrows to and from Mesenchymal
- Used cmd key to better place arrow heads/tails

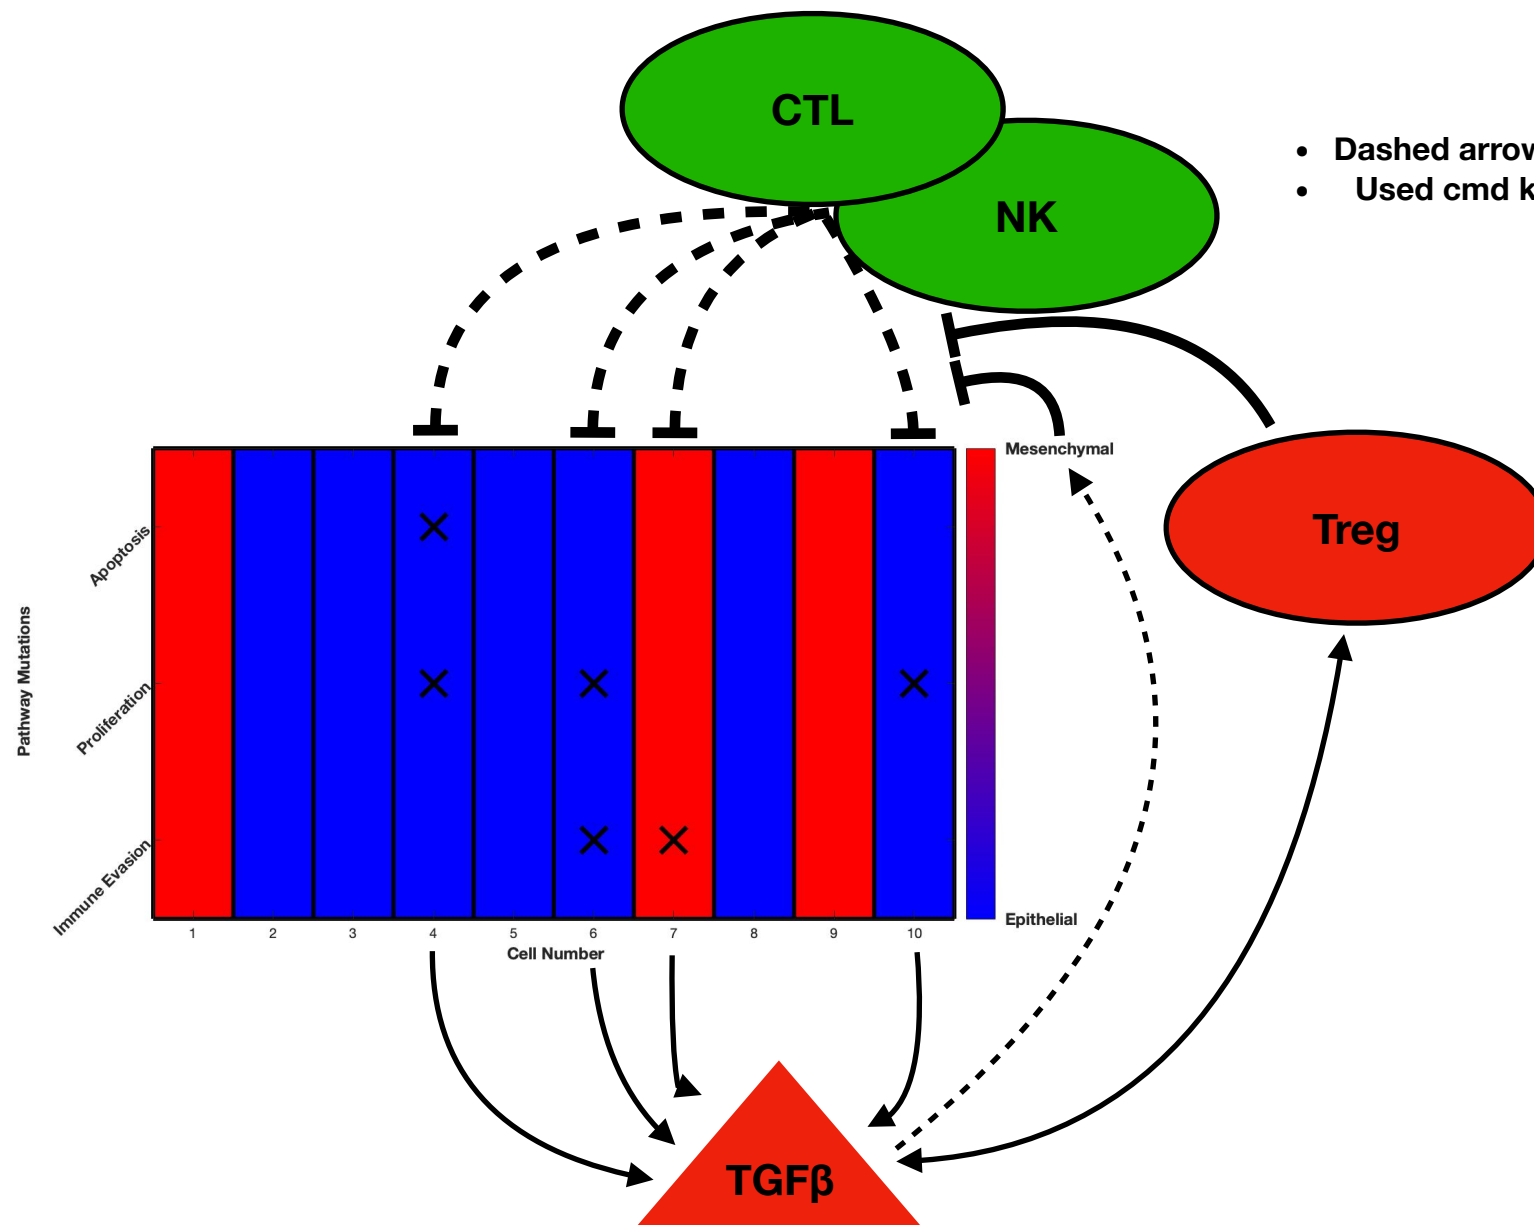

Draft #3

Dashed arrows to indicate probabilistic processes

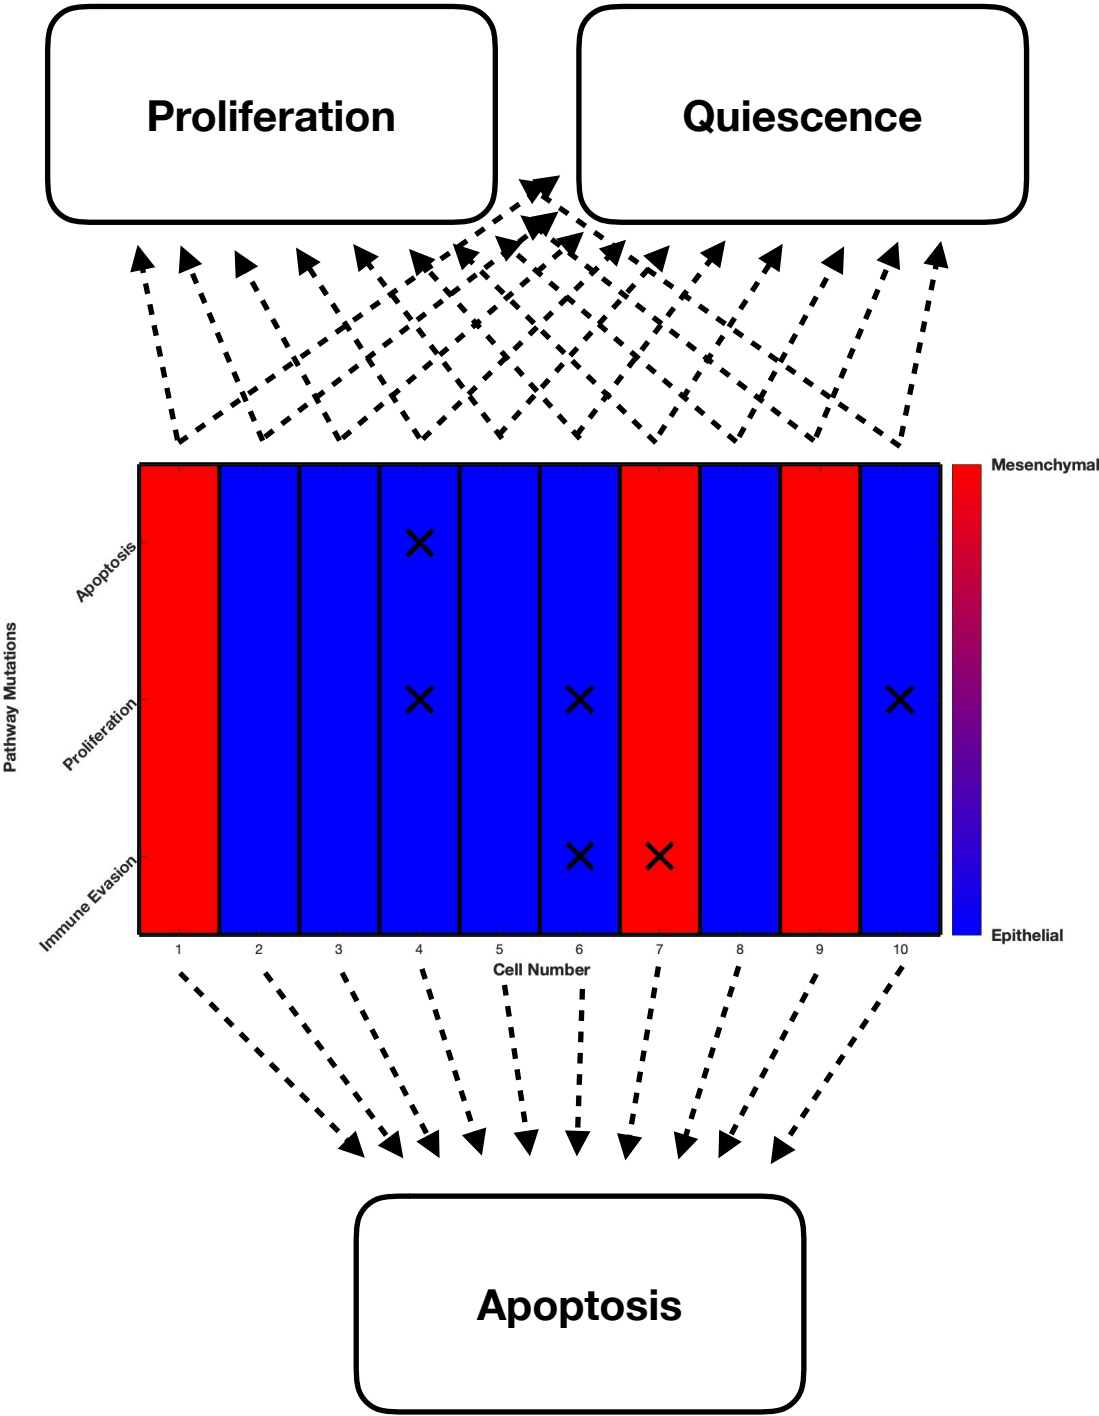

Draft #3b

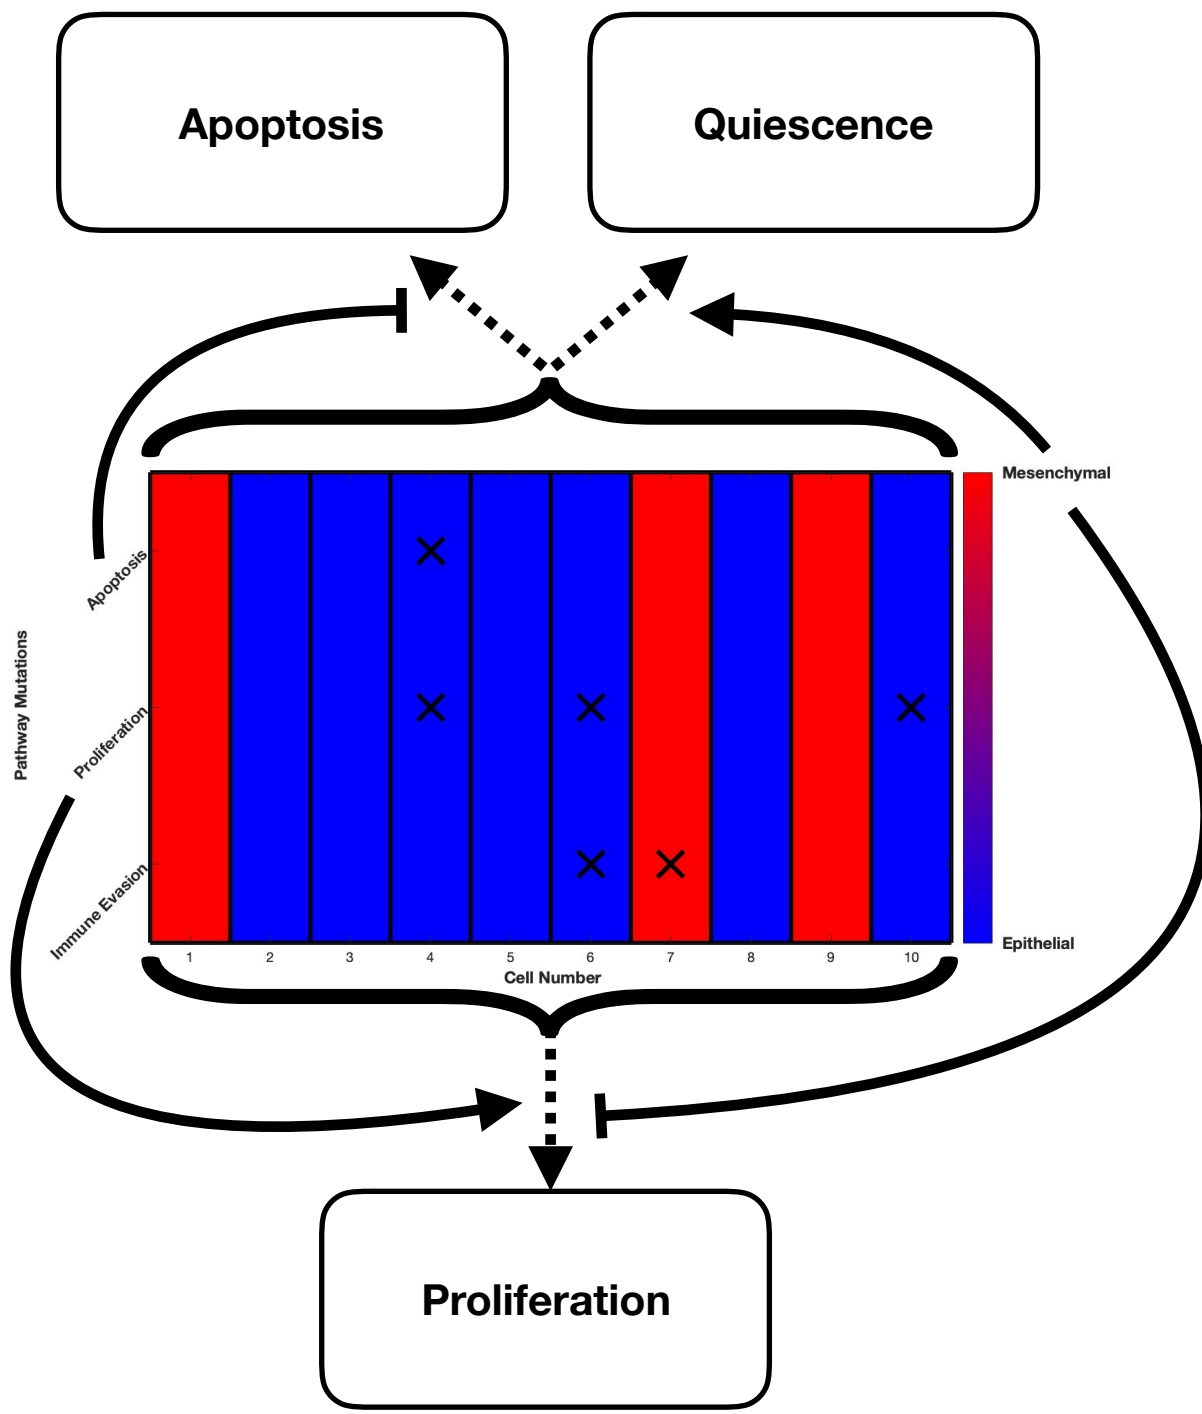

- Dashed arrows to indicate probabilistic processes
- Used cmd key to better place arrow heads/tails

Proliferation and Apoptosis

Draft #1

Draft #2

- Replaced one arrow per cell with one per process
